

The Arthur Louis Steel Company
"When Quality and Delivery Count"

A.L.S. Design Build Division

ENGINEERING & FABRICATION
from a **SINGLE SOURCE** for a
LOW COST Project Solution

Advantages to partnering with The Arthur Louis Steel Company
"A single source Design/Build Fabricator"

- **Single Source Responsibility** -- engineering, detailing and fabrication from a single entity.
- **Substantial Cost Efficiency** -- clients benefit from seamless communication between our project management teams, production personnel, drafting and engineering staff.
- **Reduced Customer Administrative Requirements** -- a single contact for design, engineering, detailing, fabrication and logistics reduces the resources required to manage A.L.S.
- **Experienced Engineering & Management Staff** -- cost efficient design and engineering on the front end of a project produces substantial cost savings to clients.

Customer satisfaction and retention are hallmarks of our successful corporate philosophy.
